

**ASK SENATE PRESIDENT SWEENEY TO TAKE ACTION ON ESP JOB
JUSTICE BILLS!**

On Thursday, May 23, the Assembly passed **A-3395**, which prevents privatization during an active bargaining agreement, and **A-3664**, which provides just cause arbitration rights to ESP members.

It is time to get these two bills moving in the Senate. Senate President Steve Sweeney has the power to have a hearing on these bills in committee and then have a full floor vote in his house.

**Ask your Senator to urge Senate President Sweeney to post the ESP Job Justice Bills,
A-3395 and A-3664, in committee and then on the floor!**
